Car shut down and need a door fast? We are your solution!

QuikDoor™, a program designed to service customers with doors shipped in as little as 48 hours from order. This program is ideal for buildings that cannot afford extended elevator downtime. Our recent expansion allows us to maintain and replenish a generous inventory of stainless steel & baked enamel doors, and ship them within two days!

Each door includes sight guard, gibbs and spacers for door hangers.

Stainless steel #4 or baked enamel doors, two-speed or center opening:

42" x 84"	Actual panel size: 1.250" x 22.125" x 84.500" *
